Total		16,093	

Group Insurance

All the permanent employees of BRPL are covered by group insurance policies through of which death or partial or full disabilities risk are being covered.

E-Filing

In line with Government's plan to build Digital Bangladesh, B-R Powergen Ltd. has been introduced E-Filing System developed by Access to Information (a2i) of Prime Minister Office. The company's corporate office, Kodda 150 MW Power Plant, Mirsarai 150 MW Power Plant project, Sreepur 150 MW Power Plant project and Madargonj 100 MW Solar Power Plant project are using E-filing system.

ERP Implementation

The ERP System of B-R Powergen Ltd. includes the following 4 modules:

BRPL ERP System

All Modules have been done "Go Live".

National Integrity Strategy (NIS)

National Integrity Strategy (NIS) is a comprehensive set of goals, strategies and action plans aimed at increasing the level of independence to perform, accountability, efficiency, transparency and effectiveness of state and non-state institutions in a sustained manner over a period of time. The Government's vision for the country, as contained in the NIS, is 'A Bangladesh free from corruption'. To that end, the Government is committed to implement the NIS to achieve the Mission that 'People and institutions embrace values and principles of integrity, and increasingly practice them as part of their individual and institutional activities'. To achieve this mission B-R Powergen Ltd. is following National Integrity Strategy (NIS). B-R Powergen Ltd. prepared NIS working plan 2020-21. As per the working plan, the company has initiated various activities and kept budget for the implementation of the activities.

Corporate Social Responsibility (CSR)

Under Corporate Social Responsibility (CSR) B-R Powergen Ltd. arranges donation for charitable works. The company also maintains a fund for employee charitable contributions from which BRPL employees are provided with financial support if needed.

National Mourning Days Activities

Every year the National Mourning Day is being observed by B-R Powergen Ltd. with due respect and solemnity. In 2020, the day was observed marking the 45th martyrdom anniversary of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman and his family members. B-R Powergen Ltd. observed the mourning day through organizing different events like arranging discussion meeting, offering special prayers, hoisting the national flag half-mast at the corporate office as well as the power plant and project office etc. All the employees of the company wear black badges marking the day as a mournful one.

Safety Measures at Work Place

To ensure the safety of the employees as well as the other resources of the company, B-R Powergen Ltd. has sufficient firefighting arrangements. B-R Powergen Ltd. has medical retainer for the employees and first aid box equipped with necessary medical equipment and medicine. To fight against the hazard of fire, the company placed fire extinguishers, automatic smoke detector, ABC Powder Cylinder, Fire Ball, Conventional Fire Alarm Bell and LED sign marking the direction of emergency exit. For proper rescue management the company provides the employees with fire-fighting training and there is an arrangement of Rope Ladder, Fire Axe Box and spacious staircase along with emergency exit.

Preventive Measures Taken for Covid 19

As the coronavirus outbreak quickly surges worldwide, many countries are adopting non-therapeutic preventive measures. B-R Powergen Ltd. has taken following measures for Covid 19:

1. Installing disinfectant dispensers in the workplace.
2. Starting the clean desk policy.
3. Facilitating 'respiratory hygiene such as covering coughs, physical distancing of at least 1 meter or more according to the national recommendations, wearing of masks, regular environmental cleaning and disinfection, and limiting unnecessary travel.

4. Avoiding unnecessary daily contact in the reception area.
5. Limit physical interaction with visitors.
6. Intensifying online training, e-meetings and teleworking.
7. Providing Mask & Sanitizer to the employees.
8. Paying bill for Covid-19 diagnostic test to all employees.

Beautification Activities

B-R Powergen Ltd. nurtures a culture of cleanliness. The company always appreciate all the employees to keep the office clean and beautiful. The interior design of all the office of B-R Powergen Ltd. is properly planned and equipped with necessary furniture and equipment. Various ornamental trees as well as seasonal flower saplings and fruit trees have been planted at the premises of Kodda 150 MW Power Plant.

Recreational Activities

B-R Powergen Ltd. arranges following recreational activities as these types of activities can promote teamwork and mental well-being of the employees:

1. Annual picnic
1. Annual sports program
2. Planning Outing or Team Building.
3. Acknowledge Team Presence and Efforts and Have Fun.
4. Creating Opportunities to Expand Knowledge.

Annual Performance Agreement (APA):

Annual Performance Agreement (APA) is signed between B-R Powergen Limited and Power Division, Ministry of Power, Energy and Mineral Resources. It is done with the target to enhance the generation capacity, efficiency, financial capability, institutional capability and transparency of the procurement process. APA targets and achievements of B-R Powergen Limited for fiscal year 2020-21 are as follows:

Sl	Performance Indicators	Unit	Weight Factor	Targets	Achievements
1	Availability Factor	%	20	>95	98.33
2	Auxiliary Consumption	%	10	<3.6	3.55
3	Heat rate (Net)	KJ/KWh	9	<8600	8479.57
4	Plant Factor	%	5	>20	30.11
5	New Capacity Addition	MW	5	150	0
6	DSL Payment to the Government	%	5	100	100
7	Current Ratio	Ratio	3	>2.45:1	2.36:1
8	Quick Ratio	Ratio	3	>1.90:1	2.24:1
9	Debt Service Coverage Ratio	Ratio	3	>1.25:1	1.26:1
10	Percentage of Tenders Re-tendered	%	2	<2	0
11	Implementation of ADP (Financial) (Own Financing, ECA & Others)	%	5	100	100.00
12	Tendering under e-GP (all local below 100 Crore)	%	5	100	100

BDT 109.80 Crore, 2 (Two) installments of principal loan along with interest amounting BDT. 20.35 Crore has been paid in the financial year 2020-2021 to the financiers from the own fund against Kodda 150 MW Power Plant.

The Debt Service Coverage Ratio calculated by the Auditor is 1.45:1 that measures the Company's ability to pay its current debt service liability from the own fund.

Appointment of Auditor

Pursuant to section 210 of the Companies Act, 1994. The Company's statutory Auditors ACNABIN Chartered Accountants retires at the 10th Annual General Meeting as Auditors of the Company. The Chartered Accountants firm has audited the accounts of the company in the last financial years. The retiring Auditors are eligible for re-appointment and have expressed their willingness to continue for the financial year 2021-22.

Sustainable Development Goals (SDG):

The Sustainable Development Goals (SDGs), officially known as "Transforming our world: the 2030 Agenda for Sustainable Development" is a set of seventeen aspirational "Global Goals" with 169 targets. Among the seventeen goals, the 7th Goal is

“Ensure access to affordable, reliable, sustainable and modern energy for all”

In line with Global requirement, B-R Powergen Ltd. has implemented different power plant projects to ensure and worth on access to affordable, reliable, sustainable and modern energy for all the citizens of the country. To fulfill the SDGs requirements, our company is working with power division through a monitoring cell.

Existing Power Plant of the Company

Kodda 150 MW Dual Fuel Power Plant, Gazipur

Ongoing Power Plant Projects

Mirsarai 150 MW Dual Fuel (HFO/Gas) Power Plant.

Sreepur 150 MW HFO Based Power Plant

Upcoming Power Plant Project

Madarganj 100 MW Solar Power Plant.

Future Power Plan Project Plan

Mymensingh 400 MW LNG Based Combine Cycle Power Plant.

Acknowledgement

I would like to put on record my sincere gratitude and thanks to MPEMR, BPDB, BEZA, BREB, MoF, MoP, PGCB and RPCL for their continuous support and assistance extended to B-R Powergen Ltd. in successful implementation and running of its Kodda 150 MW Dual Fuel Power Plant. Also, thanks EPC Contractor Sinohydro Corporation Ltd., China and Max Infrastructure Ltd., Bangladesh, ECA financier from AKA & COMMERZBANK of Germany, patrons and all well-wishers for their sincere and whole-hearted support extended to the company.

I also hope, while implementing the ongoing and upcoming projects, B-R Powergen Ltd. will receive the same support and assistance from the MPEMR, MoF, MoP, BPDB, BEZA, BREB, PGCB and RPCL as before. We also put on record our appreciation for the employees and officers of the company for their hard, sincere and dedicated efforts, for by which the expected goal has been achieved.

Now, I feel pleasure to place following issues to the honorable shareholders to adopt and consideration:

1. To receive and adopt the Directors' Report and the Audited Financial Statements of the company for the year ended 30 June 2021 together with audited report thereon.
2. To approve dividend for the year 2020-21 as recommended by the Board of Directors.
3. To elect Directors in place of those retiring in accordance with the provisions of Companies Act and Articles of Association of the Company.
4. To appoint Auditors for the year 2021-22 and to fix their remuneration.
5. To approve the appointment of independent director

Before concluding, I express my sincerest gratitude to you all again for your gracious presence in this Annual General Meeting and also convey my heartfelt thanks for your patient hearing.

I pray to Almighty Allah for continuous success and prosperity of B-R Powergen Ltd.

With Best Wishes
On behalf of the Board of Directors

REPORT OF THE AUDIT COMMITTEE

for the year 2020-21 ended
on 30 June 2021

The Audit Committee of B-R Powergen Ltd. was established and its Charter was approved by the Company's Board. The Audit Committee, a sub-committee of the Board, supports the Board in fulfilling its oversight responsibilities.

The Audit Committee of BRPL comprises of the following Board members:

1. Mohammad Moniruzzaman FCA, PhD- Convenor
2. Mr. Dhurjati Prosad Sen- Member
3. Md. Abdus Sabur-Member
4. Mohammad Zakir Hossain – Member
5. Banasree Biswas Smritikana–Member

The Audit Committee met five (05) times during the considering period.

Role of the Audit Committee

The Audit Committee's authorities, duties and responsibilities flow from the Board's oversight function. The major responsibilities of the Committee, among others, include:

- ◆ Reviewing the quarterly, half-yearly and annual financial statements and other financial results of the company and upon its satisfaction of the review recommending them to the Board for approval.
- ◆ Reviewing the revised revenue budget, capital expenditure budget and project development budget of the current year and proposed revenue budget, capital expenditure budget and project development budget of the next year and recommending them to the Board for approval.

- ◆ Monitoring and reviewing the adequacy and effectiveness of the Company's financial reporting process, internal control and risk management system.
- ◆ Monitoring and reviewing the arrangements to ensure objectivity and effectiveness of the external and internal audit functions. Examine audit findings and material weaknesses in the system and monitor implementation of audit action plans.
- ◆ Recommending to the Board the appointment, re-appointment or removal of external auditors.
- ◆ Reviewing and monitoring the Company's ethical standards and procedures to ensure compliance with the regulatory and financial reporting requirements.

Activities of the Committee on the Company's Affairs for the Period under Report

- ◆ Reviewing the audited financial statements of the Company and being satisfied that the critical accounting policies, significant judgments and practices used by the Company are compliant with the required laws and regulations, also confirmed by the external auditor in their independent report, thereafter recommending to the Board for adoption.
- ◆ Reviewing the quarterly, half-yearly and annual financial statements and recommend them to the Board for approval.
- ◆ Reviewing the revised revenue budget, capital expenditure budget, and project development budget of the current year and proposed revenue budget, capital expenditure budget, and project development budget of the next year and recommending them to the Board for approval.
- ◆ Reviewing the quarterly financial statements of the Company and recommending the same to the Board for adoption.
- ◆ Reviewing the external auditors' findings arising from audit, particularly comments and responses given by the management.
- ◆ Reviewing the matters as per requirement from the Board.

The committee is of the opinion that reasonable controls and procedures are in place to provide assurance that the Company's assets are safeguarded and the financial position of the Company is adequately managed.

Mohammad Moniruzzamam FCA, PhD
Chairman
Audit Committee

Corporate Governance:

Corporate governance is the system of rules, practices and processes by which a company is directed and controlled. Corporate governance essentially involves balancing the interests of a company's many stakeholders, such as shareholders, government, financiers, suppliers, community, customers and the management. The principal characteristics of corporate governance are to maintain transparency, independence, accountability, responsibility, fairness in its various constituencies. From the beginning, the Company tries its level best to nurture and follow the good corporate governance. At present, the governance of the Company is formally provided at three levels: the Board of Directors, its Committees and the Management Team.

Keeping in view the size, complexity and operations of the Company, the governance framework of BRPL is based on the following principles:

1. That the board is standard in size and members are committed to perform their respective duties and responsibilities
2. That the company is operated through a well-defined management team.
3. That timely flow of pertinent information to the board and its sub committees are ensured to make them able to do their duties and responsibilities effectively
4. That a sound system of risk management and internal control is in place.
5. That the company has a sound asset management policy, which assures that proper records are maintained in case of capital expenditures of the company and that no unauthorized use or disposal of any asset occurs.
6. That timely and accurate disclosure of all material information relating to the company is made to all stakeholders.
7. That all transactions of the company are transparent and accountable as the transactions is done under a well-established structure.
8. That all regulatory and statutory rules and regulations are complied with.
9. Meeting the needs of the current generation without compromising the ability of future generation to meet their needs.

Workers Profit Participation Fund (WPPF):

As per Chapter XV of labor law 2006 (amendment-2013), B-R Powergen Ltd. has established Workers Profit participation Fund (WPPF) at the end of financial year 2017-2018. In the financial year 2020-21, 5% equivalent of tk. 4,31,34,598 (tk. four crore thirty-one lac thirty-four thousand five hundred ninety-eight only) of the net income before tax was transferred to the said fund.

Health Safety & Environment Policy

It is our policy to conduct activities in such a way as to take foremost account of the Health, Safety and Environment of ourselves and of other persons. We will adhere to the highest standards for the safe operation of the plant and the protection of the environment, ourselves, customers and the citizens of the community in which we do business. The objective of this policy is to promote good health and a high level of safety. These aims will be achieved by allocating sufficient resources to provide, maintain conditions and places of work that are, so far as reasonably practicable, safe, healthy and environmentally friendly. Our policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for all of us, and to provide such information, training and supervision as we need for this purpose. We also accept our responsibility for the Health, Safety and Environment of other people who may be affected by our activities. The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it has operated will be reviewed every year.

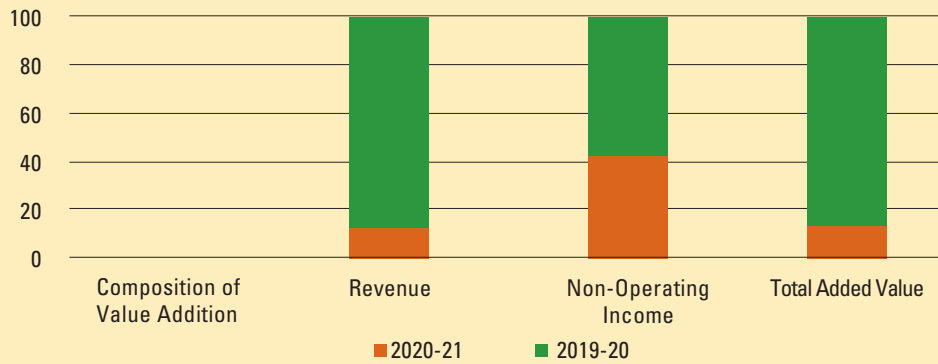

These aims will be achieved by:

- ◆ Complying with applicable local laws, regulations and standards for BRPL. In absence of appropriate legislation, requirements of corporate and similar industrial good practice, where reasonably pertinent, will be applied;
- ◆ Communicating openly with employees, contractors, visitors and affected parties to promote a system of enhanced health, safety and environment;
- ◆ Following a process of risk and impact management that will continuously reduce the health and safety risks and protect the environment associated with the company's business activities;
- ◆ Monitoring, on a regular basis, the health and safety effects of its activities on employees and affected parties in the work environment with the view of improving the systems;
- ◆ Strive to seek opportunities to minimize and/or prevent pollution through the implementation of cost effective new technology and the optimization of existing systems.
- ◆ Implementing health, safety and environment management systems based on Bangladesh & World Bank standards.
- ◆ Setting and reviewing of OH&S and environmental objectives and targets, continual improvement and compliance with this policy will be monitored through a process of internal and external auditing and management review.

All employees, contractors, visitors are responsible for complying with and within the scope of their authority enforcing all relevant rules and regulations pertaining to their activities. This policy shall be displayed and made available to all employees, contractors and other interested parties who may request a copy. The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it is to operate will be reviewed annually.
